Miss Dolan Update:

Walk a thon went good

Miss Dolan asked the PAC if it was too much for the raffle tickets and the walk-a-thon donations going out together.

Carmel visit occurred this past Monday 9/30 for 6th and 7th graders

7th and 8th graders went to St Joe's for a speaker; she asked what the feedback was? The teacher's said it was positive.

Miss Dolan showed the two logos that have been worked on to the PAC, and then we will have the kids vote on them.

Miss Dolan will pass it out in class for voting. Tony mentioned we should run the logo by American Outfitters for them to confirm it's at the appropriate resolution, etc.

Discussed possibility of logo of human with beret on.

Need to take vote ASAP so we can get going on spirit wear.

Working on school improvement plan required of Archdiocese. The goals are: engaging students and families in engaging in mass, Adoption on Envision math (Miss Dolan asked for feedback on Envision Math) – Miss Dolan will review the math and how and where certain math facts should fit in (ex: multiplication), additional engagement resources for the kids in the classroom, and trying to share our school story with the community.

NEXT Meeting 11/5/2019 (Tues) @ 6:30pm
