Back to school is in full swing and **Young Rembrandts** will present a bountiful selection of **drawings** that introduces our students to a fascinating world of color, pattern, and design. We'll start by saying farewell to summer in our detailed still life beach drawing. We explore color usage and composition in our chameleon and in keeping with the season, our stylized fall leaves drawing challenges our technique and color scheme. Your student will learn important artistic themes and concepts in our art history lessons. All this and more awaits your child in the **Young Rembrandts** classroom!

YOUNG REMBRANDTS provides all classroom supplies and a trained instructor. Classes are held immediately after school. Parents are responsible for transportation at class end.
